UNDERGRADUATE AND FACULTY MENTOR MANUSCRIPT APPROVAL FORM

For the Student:

I _____ hereby submit the attached manuscript entitled:
(print name clearly)

(print name of manuscript)

In this manuscript and its appendices I recognize any and all individuals and resources involved with my research and writing. All information presented here is the direct result of my own work. My research supervisor has approved submitting this manuscript for possible publication in *Nanoscape*. I have verified that my submission does not infringe upon the copyright policies of any other publishing body to which this manuscript or parts thereof may have been submitted previously.
